

## IncrediSuds Laundry Detergent

### *Features & Benefits*

- Slightly Alkaline
- Highly Concentrated
- Safe on Cotton, Polyester and Natural Fabrics
- Biodegradable
- Fresh Scent
- Made in the USA

IncrediSuds, a slightly alkaline laundry detergent designed for commercial laundry cleaning. IncrediSuds is one component of a 2-part Break & Suds laundry cleaning system. Highly concentrated with a variety of surfactants and water conditioners to clean as many soil types as possible when used alone, and more so when used with IncrediBreak Laundry Builder. Using a Break/Suds combo allows for tailoring product usage resulting in improved cleaning costs.

#### **DIRECTIONS FOR USE**

- Program IncrediSuds Laundry Detergent based on cycles
- Can be used in conjunction with IncrediBreak Laundry Builder

#### **PRODUCT USAGE**

Contact National Purity as product ratios vary based on water conditions and size of laundry machines.
