

Velocity Detergent

Velocity is an alkaline detergent with a highly effective foaming agent. Designed with new surfactant technology to meet green detergent standards like those at Ford and in California. Excellent cleaner with high foaming profile blasts away dirt, mud, dried leaves and other debris.

DIRECTIONS FOR USE

- In Automated Car Washes or Stand-Alone Services
- Can be used through pressure washers, foam guns, touchless wash tunnels.
- Dampened vehicle with water, then apply Velocity Detergent starting at bumpers to top of vehicle
