

Prestige Silverware Presoak

Features & Benefits

- Economical Presoak
- Extends life of flatware
- Safe on Silver, Stainless & Aluminum
- Spot Free
- Shiny
- Made in the USA

Prestige Silverware Presoak prepares flatware prior to dishmachine washing by loosening soils, allowing for excellent wash and rinse action. Prestige Presoak loosens baked on foods and softens food soils from flatware and adds a sparkle. Liquid Prestige's formula mixes rapidly with water and eliminates the chance of chemical burns on silver, aluminum and stainless steel utensils.

DIRECTIONS FOR USE

- Fill bus tub or container with diluted Peak Silverware Presoak
- Submerge flatware in solution and allow to soak for a minimum of 20 minutes
- Change container when solution is soiled or after each shift
