

## Garflor Concrete Cleaner

### Features & Benefits

- Has both Manual and Pressure Washing Applications
- Fast Acting Cleaner and Degreaser
- Rinse with Plain Water
- Safe on painted concrete floors
- Made in the USA

Garflor is a free-rinsing heavy duty dock and concrete cleaner, that quickly eliminates grease and oils. Garflor can be used safely on painted concrete and cement floors without harming the paint. Garflor contains solvents and oil emulsifying chemicals to give double action and quick results. This type of concrete and cement floor cleaner eliminates oil film and rinses freely.

#### DIRECTIONS FOR USE

- Wet surface to be cleaned
- Sprinkle powdered Garflor on surface
- Scrub with floor broom
- Let set for 15 minutes
- Scrub lightly again and flush with water
- Rinse floor with plain water and let dry

#### PRODUCT RATIOS
