

IncrediBreak Laundry Builder

IncrediBreak Laundry Builder is a highly alkaline, concentrated builder with water conditioners. IncrediBreak offers controls of scale, water hardness and yellowing from iron. Designed to be used as the "break" in a 3-product system. Can be used as an alkali booster with IncrediSuds or IncrediClean Laundry Detergents. IncrediBreak increases pH and adjusts alkalinity to correct levels by emulsifying oily, greasy soils and breaking them into smaller parts. Anti-redeposition technology suspends the soils dislodged from the fabrics.

DIRECTIONS FOR USE

- Program IncrediBreak Laundry Builder based on cycles
- To be used in conjunction with IncrediSuds Laundry Detergent

PRODUCT USAGE

Contact National Purity as product ratios vary based on water conditions and size of laundry machine.

PACK SIZE & ITEM NUMBER

2-2.5 gal	1021027
5 gal	1021005

Features & Benefits

- Controls Scale & Water Hardness
- Controls Yellowing
- Contains Water Conditioners
- Improves Quality of Wash Water
- Biodegradable
- Safe on Cotton, Polyester & Natural Fabrics
- Fresh Scent
- Made in the USA
