

Mark 10 Super Suds

Mark 10 Super Suds, a high foaming, long lasting, heavy-duty pot and pan detergent, designed for manual use in 3-compartment sinks. Safe on hands, tough on dirt. Environmentally friendly.

DIRECTIONS FOR USE

- Use Mark 10 Super Suds in 1st bay of a 3-compartment sink
- Fill sink with warm to hot water and add Mark 10 Super Suds
- Prescrap food soils from the surface of wares before placing in sink
- Soak wares in solution until soils are softened
- Wash ware and let excessive wash solution drain back into sink to prevent detergent carry-over into the rinse water
- Submerge into 2nd bay of potable water to rinse away detergent
- Submerge wares in 3rd bay with Mark 10 Quat sanitizing solution and soak for 60 seconds
- Air dry all wares

PRODUCT RATIOS

Dilute 1 to 2 ounces of Mark 10 Super Suds with 10 gallons of water
